

Remarks

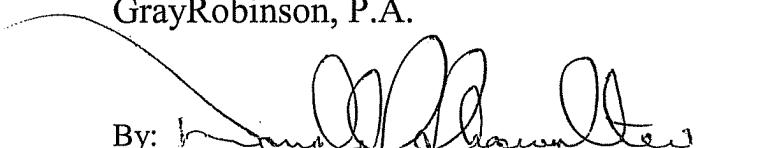

This is responsive to the Office Action mailed August 31, 2007 in which the Examiner rejected pending claims 18-33 as being unpatentable over U.S. Patent No. 7,097,461 on the ground of non-statutory obviousness-type double patenting. In response, Applicant submits herewith a Terminal Disclaimer in compliance with 37 C.F.R. § 1.321 to overcome the rejection of claims 18-33.

In view of the submission of the Terminal Disclaimer in compliance with C.F.R. § 1.321, Applicant submits all pending claims are in condition for allowance.

Respectfully submitted,

GrayRobinson, P.A.
